

Salmon River Adventures <https://valthun.github.io/termproject/index.html>

This website is for people interested in rafting and kayaking on the Salmon River. It will have a information about guides and what adventures are available. It will have a form to allow for reservations and a contact page.

Customer 1: John

Wants to book a ½ day trip for a youth group, he has 20 kids that are in his group and plans to include at least 3 chaperones. This site has what he needs to book that adventure.

Customer 2: Joan

Joan is new to the area and wants to try rafting, she hasn't met anyone willing to go on the trip yet and wondered if she could go on a white water rafting excursion for a day and come solo. She finds that she will get paired with other groups in an effort to paddle with people that are similar. She can submit a question on what days are best for a solo rafter.

Fonts are

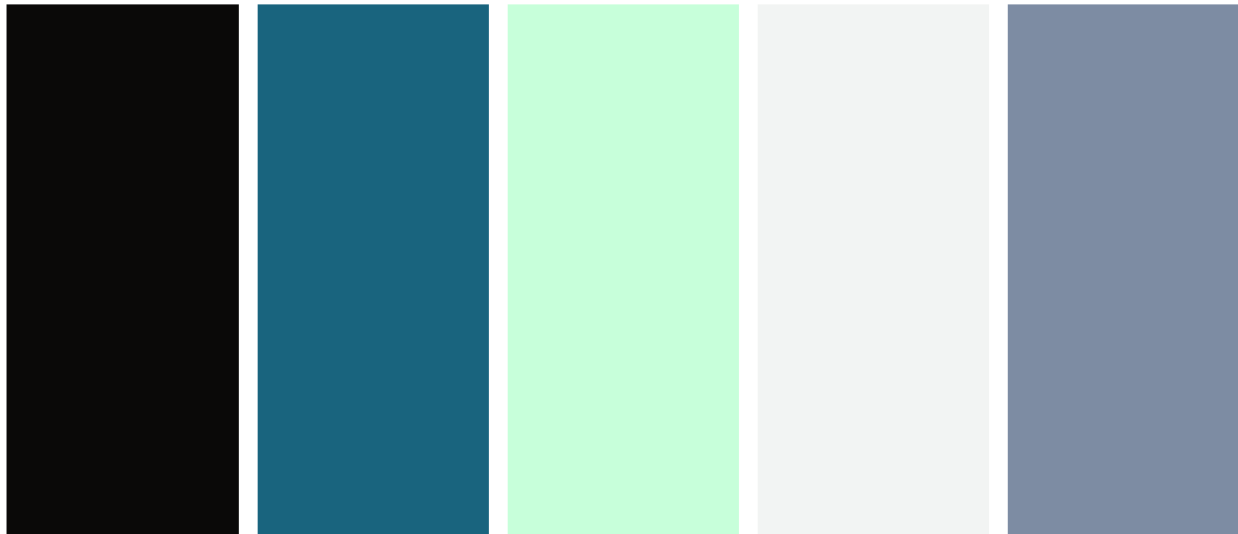

Josefin Sans for Header text

Gentium Book Basic for body text
